See Something...Say Something!

The “See Something, Say Something” campaign is designed to emphasize the importance of reporting suspicious activity to the proper transportation and law enforcement authorities.

Department of Aviation Safety & Security is encouraging the Airport community to remain vigilant in recognizing suspicious behavior and continuing to be alert for potential risks in the workplace.

Your eyes and ears are a valuable resource in the continuing effort to maintain a safe environment. Help us keep ATL, its employees, and the traveling public safe; if you See Something...Say Something!

If you witness suspicious activity – CALL 911
Remember, Security is Everybody’s Business!

The Department of Aviation’s Safety & Security Division is responsible for managing an effective Airport Security Program that ensures a safe and secure environment at the world’s busiest and most efficient airport while exceeding customers’ expectations and complying with applicable regulations, laws and codes.

If you have questions, please contact the Safety & Security Division at SecurityID@atl.com. Thank you for your continued support of the Airport Security Program.
